Re: City of Detroit Pension Restructuring
Gentlemen:

Thank you for your letter of July 12, 2013, and thank you further for continuing to discuss in good faith the difficult issue of pension restructuring. The Office of the Emergency Manager appreciates your strong cooperation.

Consistent with the position Dave Heiman and I expressed at the meeting, we still think it makes sense to first try to reach common ground with key unions and association leaders on actuarial assumptions and methods, and the amount of PFRS underfunding, and then tackle contributions and attendant benefit changes. Nonetheless, we are interested in hearing any pension benefit redesign thinking and proposals that come from key union leadership, including ideas to avoid a freeze. We stand ready to meet to discuss such ideas.

We also took seriously the concern expressed at our meeting last Thursday on two issues: (1) that the City's retiree health proposal for uniform retirees should include amounts for pre-age 55 early retirees and not begin at age 55; and (2) if there were to be a hard freeze at PFRS, active employees who do not have sufficient service at the freeze date to obtain a vested pension be given an opportunity to earn such service and not lose their entire pensions. The City's advisors are looking hard at those issues and we intend to report back to you shortly.
